# New testament Märchen

This manga is based on the Prologue *Mari Ido a Stern Mari a Stern Ido* and the 7th Story CD *Märchen* by the fantasy band Sound Horizon.  
The adaptation has been done according to the author's, Toriko Yanozaki, interpretation on the original stories. Sound Horizon themselves each person's own story interpretation. I would be honored if you could enjoy the world presented in this work as one interpretation among many others.

Forming a counterpart  
with New Testament  
Märchen,  
another interpretation.
